David is going to have it changed to Navajo. On the web page they are trying to have a holistic data page, but these samples were taken in Navajo and not NM.

**To:** EOC Public Information; EOC Environmental Unit; EOC\_Manager,; Atencio, Kathie

**Subject:** Region 9 surface water for August 12

The attached data file has been reviewed by the HQ EU and is now approved for coordination with regional PIO and final posting.

Kathie: Do you have some supplemental sample location information that you can provide for this data set that can be posted. Something similar to previous posting messaging.
